

TOWMASTER®

Hydraulic Dump T-5HD

Tri-swing rear gate opens to the side, down from the top, or swings open from the bottom.

Optional ladder-style ramps for loading equipment, stored above fender.

Built-in storage box houses hydraulic system with room for chains, straps or tools.

Description:

The T-5HD trailer is a single-axle dump trailer designed for smaller jobs. It's great for the hauling needs of the light-duty general contractor, rental business, or landscaper. Several dump body sizes are available to haul dirt, sand, debris, or other materials. Towmaster's® T-5HD features a power-up/power-down hydraulic hoist, stake pockets, tri-swing rear gate, and steel storage box for the hydraulic pump. Power from the vehicle is not required. Many options are available.

Quick Specs:

- 25" deck height (empty)
- 60" wide box
- 8' or 10' dump body lengths
- Tarp securement rod
- Electric brakes
- Spring suspension
- Power up/power down hoist
- Tri-swing rear gate
- LED lights and sealed wiring
