

WHY FINANCE, WHY MARLIN

Financing equipment makes sense...

WHY FINANCE

A constantly changing business environment makes managing cash flow both challenging and critical. Technology changes just as fast – presenting both the opportunity and the need to acquire that new technology.

Today's successful business leaders are able to balance cost cutting, preserve business capital and take advantage of adopting new technology.

Financing with Marlin Equipment Finance is the solution. Marlin's flexible financing allows you to acquire Towmaster equipment without an up-front cash investment. Marlin offers various financing plans with flexible terms and payment options.

WHY MARLIN

Marlin Business Services Corp.® is a nationwide provider of equipment and software financing, specializing in providing innovative solutions for small and mid-size businesses. Marlin finances a wide array of essential use commercial equipment.

Since 1997, Marlin has extended \$4 billion in financing by providing tailored financing programs and competitive lease structures. Marlin's value proposition is centered around service excellence and delivering on commitments made to equipment suppliers and their customers.

Marlin is well-capitalized and acquires funding support internally through Marlin Business Bank®.

As a trusted financing provider, Marlin can help you obtain and maintain the right equipment solution for your business.
